SAGO PHARMA INC.TM
COMMITTED FOR YOUR HEALTH

About Us

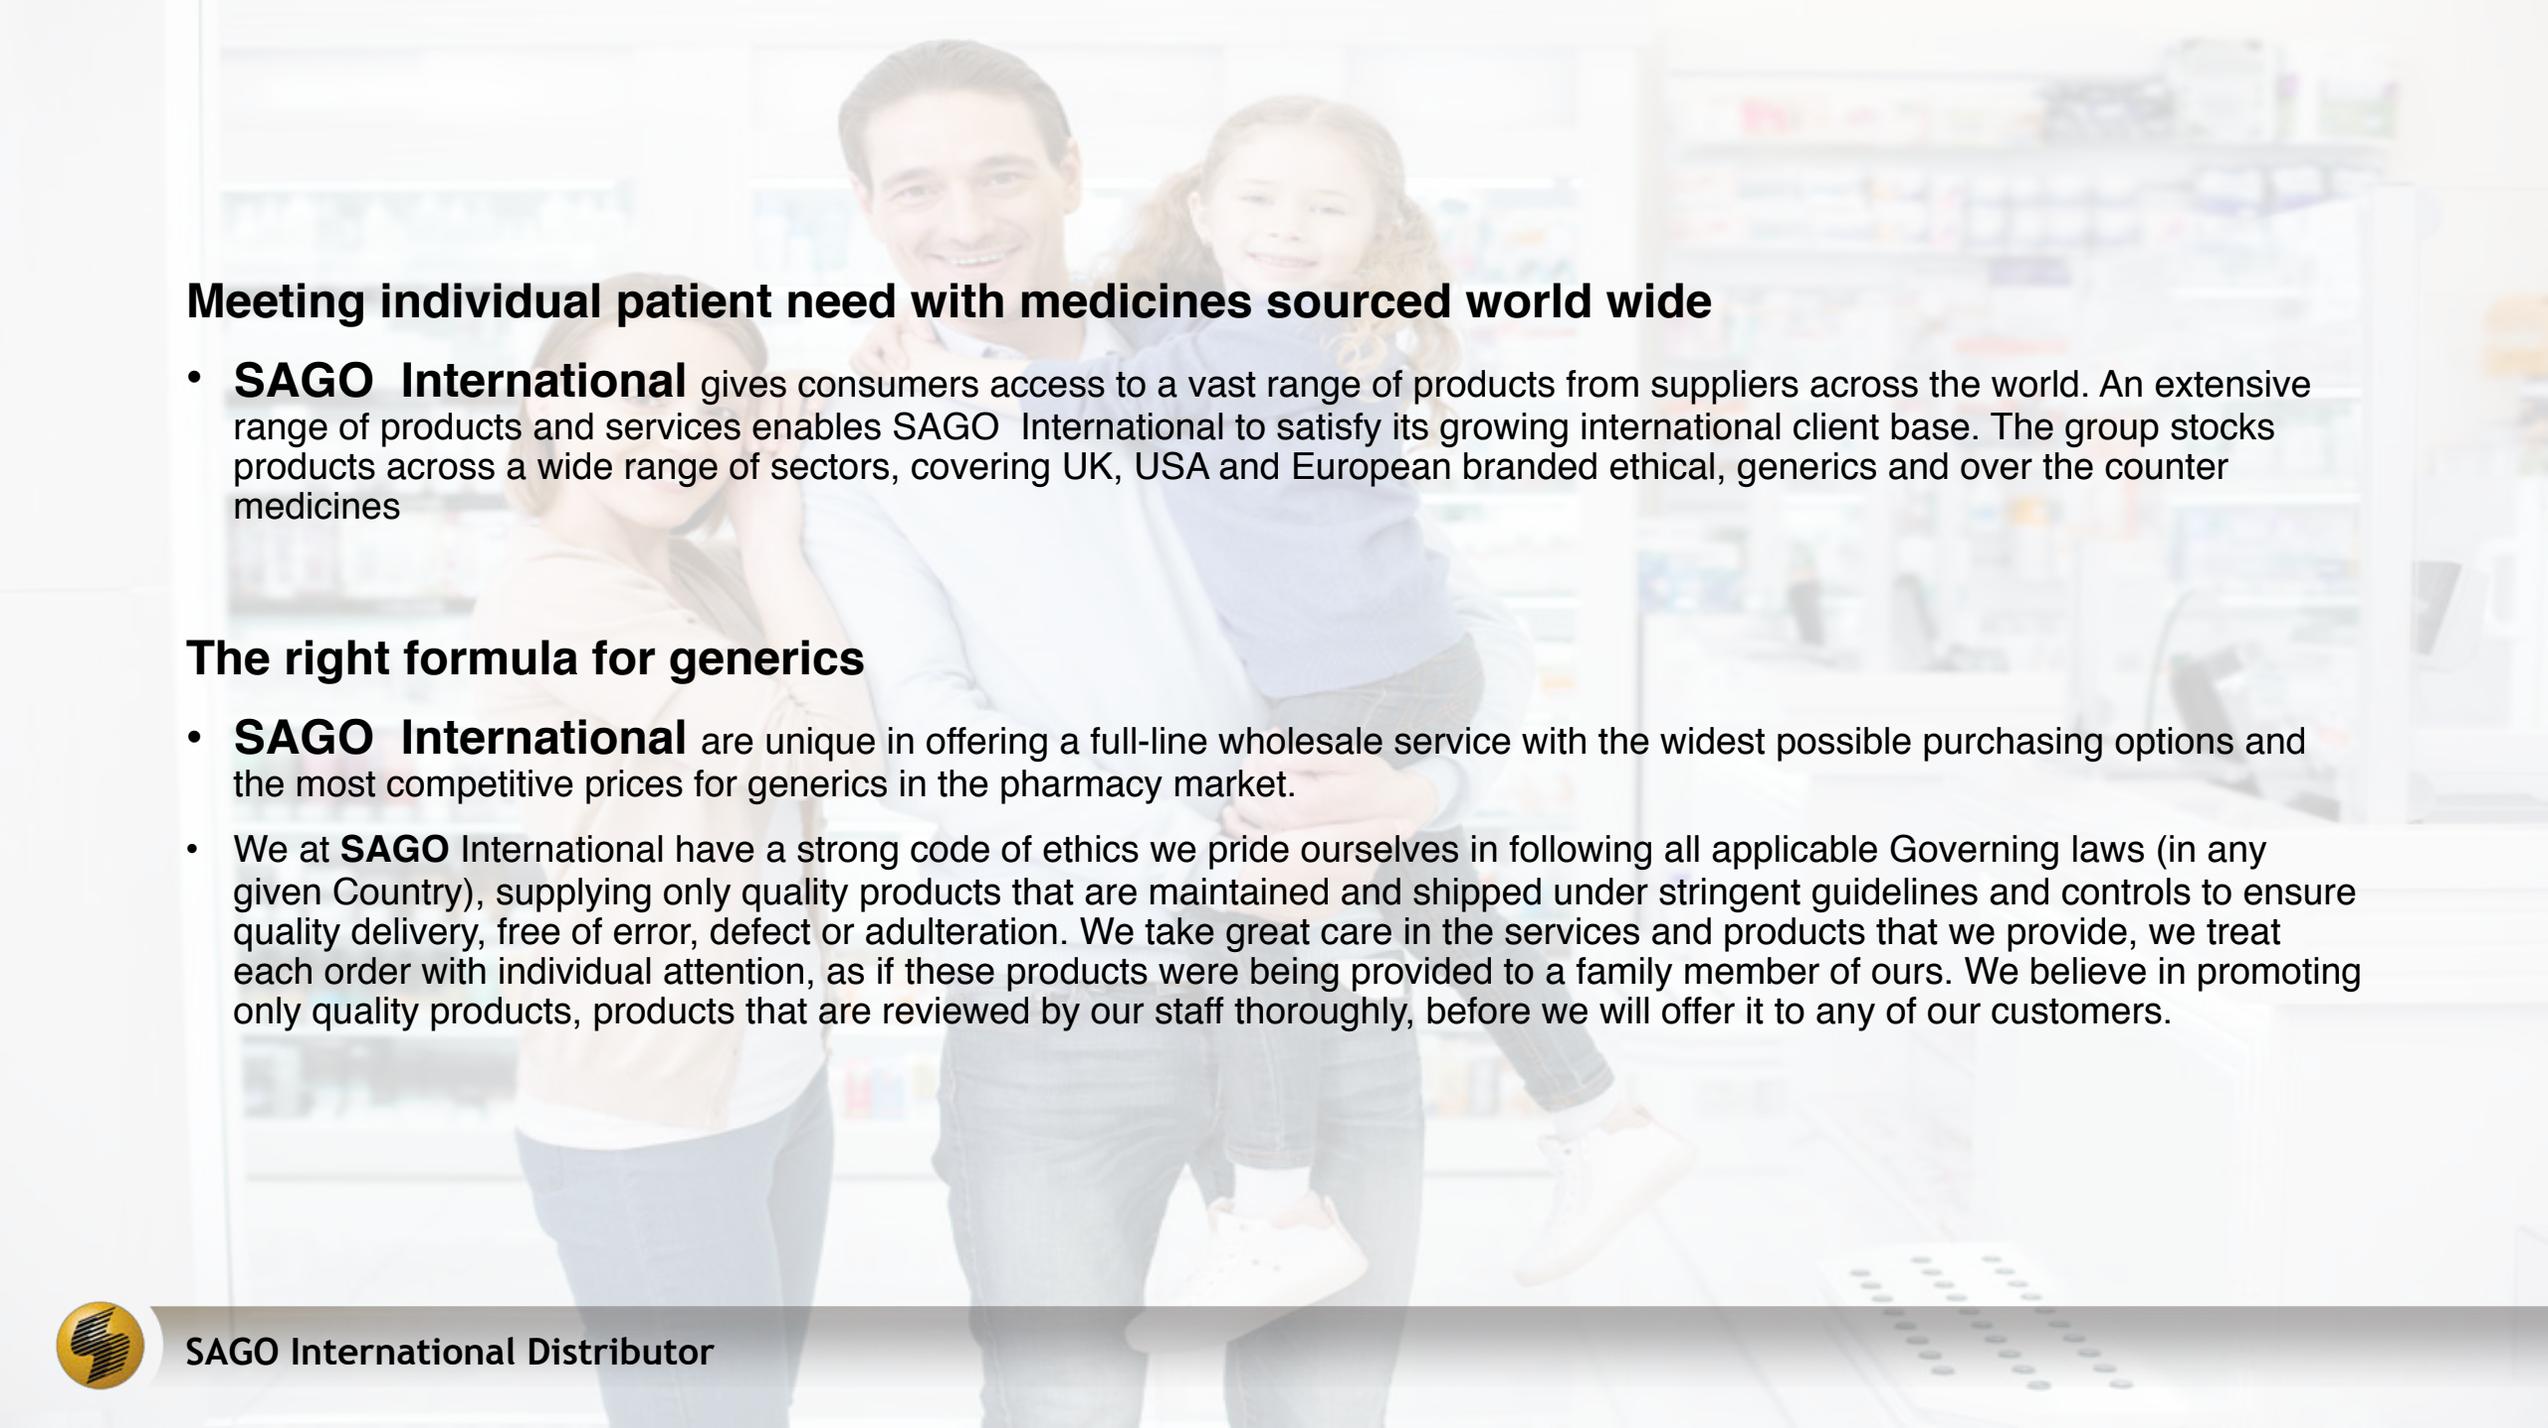

SAGO International Distributor

SAGO International has successfully met the growing demands of the Pharmaceutical Industry with a wide range of effective formulations and medicines. We distribute a number of OTC (Over The Counter) drugs and other life-saving drugs which are safe to be consumed. All the medicines that we deal in are cost effective in nature as we buy them directly in bulk quantities. Our substantial growth is mainly attributed to the efficient and quality medicines that we deal in and also our expert sale practices. We directly cater to the needs of large, medium and small enterprises and individuals around the globe.

We are a customer oriented company and strongly believe in supplying superior quality medicines at the most economical prices. We are a leading supplier of a wide range of medicines, such as Oncology (Anti - Cancer) Drugs and Medicines, Nephrology Drugs, Virology (HIV/HBV/Influenza) Drugs, Blood and Plasma (Hematology) Products and Fungal Infection Drugs and Medicines. In addition to these, we also offer Critical Care (ICU) Drugs, Hormones and Biotechnology Drugs, Cardio - Diabetic Drugs, Asthma Care Drugs, Surgical Sutures and Hospital Disinfectants. The product portfolio includes Patented, Off-patented (Generics)- Biotech- Bio-similar drugs.

Meeting individual patient need with medicines sourced world wide

- **SAGO International** gives consumers access to a vast range of products from suppliers across the world. An extensive range of products and services enables SAGO International to satisfy its growing international client base. The group stocks products across a wide range of sectors, covering UK, USA and European branded ethical, generics and over the counter medicines

The right formula for generics

- **SAGO International** are unique in offering a full-line wholesale service with the widest possible purchasing options and the most competitive prices for generics in the pharmacy market.
- We at **SAGO International** have a strong code of ethics we pride ourselves in following all applicable Governing laws (in any given Country), supplying only quality products that are maintained and shipped under stringent guidelines and controls to ensure quality delivery, free of error, defect or adulteration. We take great care in the services and products that we provide, we treat each order with individual attention, as if these products were being provided to a family member of ours. We believe in promoting only quality products, products that are reviewed by our staff thoroughly, before we will offer it to any of our customers.

Our Services

SAGO International Distributor

Pharmaceutical Distribution Services & Solutions

Distribution

The breadth of **SAGO pharma, Inc.** experience and resources provide opportunities to international companies seeking to develop business and build a competitive advantage in Egypt

The Company offers comprehensive services in the areas of promotion and marketing, sales and distribution.

With its experienced Government Department team, the company is the effective link between our partners and government institutions providing fast registration of companies and products and tender management.

SAGO International's distribution serves the whole of EGYPT . Our logistical expertise allows us to deliver your products securely and on time to your customers. We apply a 'just in time' approach to our distribution services, ensuring your business operates more efficiently and your customers receive their products as and when they are required.

Our in house supply chain specialists can work with manufacturers to develop a distribution strategy specific to each product and the market for which it is intended. We build distribution channels that produce maximum efficiency and reduce costs through the supply chain from product manufacture to end customer.

Distribution

SAGO pharma, Inc. provides integrated distribution services to its partners. It has its own clearance department, central and regional warehouses, and a fleet of vans all equipped with the necessary resources for effective services.

With its 2 branches and 5 distribution centers, the company covers the entire Egypt and reaches all channels for its products.

SAGO has recently built a state-of-the-art distribution center designed by world renowned companies.

WMS (Warehouse Management System) – THIRD PARTY LOGISTICS (3PL)

As a Third Party Logistics (3PL) company, **SAGO company** can provide the total solution to warehousing / logistics needs. With RFID and WMS technology as well as Ministry of Health approved warehouses, **SAGO pharma, INC.** is 3PL choice for medical, pharmaceutical and fast moving consumer goods.

As a 3PL service developer, SAGO company offers customers advanced value-added services such as tracking and tracing, cross-docking, specific packaging, and a unique security system.

As a 3PL customer adapter, SAGO company provides customers the complete service and essentially takes over complete control of the customers' logistics activities.

As a 3PL customer developer, SAGO company can integrate itself with the customers and take over their entire logistics function

Export Services

Our customers include clinics, hospitals (private, government and military), research institutions, international importers and healthcare professionals. We committed to excellence by providing high quality products, competitive prices, fast and reliable service to our customers overseas. You can count on us for all your pharmaceuticals needs.

We assure you will be happy with our excellent services. Due to the Price control by the EGYPTIAN Government, major international branded drugs are available at cheaper price in EGYPT as compare to any other country, enabling us to provide consumers with low cost International brands from multinational pharmacy companies.

Import Services

SAGO International is working towards filling gaps in the Pharmaceutical market in EGYPT and to provide quality pharmaceuticals for the expanding private and public pharmaceutical market by working with national and international principles to create a product range that should be associated with reliability, affordability and quality.

We are catering to individual needs for the medicines that are not available in EGYPT . SAGO International with its global partners works to source life saving medicines from any part of the world.
